Pocahontas News.

(MESSENGER.)
 On Saturday morning at 8 o'clock February 17, occurred the marriage of Wm. M. Lee to Miss Mary Jane Pugh at the home of the bride's mother in the presence of the family, and several friends of the young couple. The bride's gown was of blue silk trimmed in white with hat to match.

After the services had been read by Rev. H. Blackhurst and congratulations received the guests were invited to the dining room to a breakfast which was enjoyed by all. The happy couple left amid a shower of rice and old shoes for a short visit to Monterey, the home of the groom's parents. May they have a happy and prosperous life is the wish of their many friends.

A speakeasy at Bartow run by a man named Smith was burned last Friday morning about daylight. The speakeasy had only been running about fifteen days, and we understand the proprietor did not have much of a stock on hand.

The fire was of incendiary origin and was probably the work of persons who are getting tired of the pig's ear people in the upper end of the county. The proprietor had been given a gentle warning a few days before by some one placing a quantity of dynamite under the building.

From Mill Gap

Feb 26—We are having fine weather; plenty of feed and the stock is looking well.

There is quite a bit of sickness in the neighborhood.

Mrs. Mary Wade went to Pinckney Sunday to see her mother, Mrs. Terry, who is very sick.

Miss Lizzie Williams, of Naples, was visiting friends here last week.

Mr. Wm. Hiner returned Saturday from visiting his sons, Clark and Henry, at Durbin, W. Va.

Mrs. Mahala Wade, of Valley Center, spent last week with her daughter, Mrs. Gertrude Gum.

Mr. Willie Gwin is getting along nicely with the Green Hill School.

Mr. Gwin is one of Highland's best teachers and we wish him success.

A Scientific Wonder

The cures that stand to its credit make Bucklin's Arnica Salve a scientific wonder. It cures E. R. Mulford, lecturer for the Patrons of Husbandry, Waynesboro, Pa., of a distressing case of Piles. It heals the worst burns, sores, boils, ulcers, cuts, wounds, chilblains and salt rheum. Only 25c at K. H. Trimble's drug store.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of every ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

Doctors Are Puzzled.

The remarkable recovery of Kenneth McIver, of Vanceboro, Me., is the subject of much interest to the medical fraternity and a wide circle of friends. He says of his case: "Owing to severe inflammation of the Throat and congestion of the Lungs, three doctors gave me up to die when as a last resort I was induced to try Dr. King's New Discoveries and I am happy to say, it saved my life." I used the worst Coughs and Colds, Bronchitis, Tonsillitis, Weak Lungs, Hoarseness and La Grippe. Sold by K. H. Trimble's Drug Store at \$1.00. Trial bottle free.

From Our Sister Village.

Feb 27—Mrs J. B. Bradshaw and Mrs S. W. Wilson visited Mrs Geo. Lockridge and friends on the lower Bullpasture last week. On their way there they had quite an experience. On Eagle Hill their horse fell and broke the shafts and harness. They came back to Mr. Van-der-voort's and got some straps and fixed up and started again on their journey. When opposite Mr. David Lockridge's place a spring broke. They got Mr. Lockridge's buggy and the remainder of the journey was performed without accident.

Mrs Dr. W. R. Siron visited Mrs. John McGuffin last week. Mrs. McGuffin's friends entertain but little hope for her recovery.

Mr. Wm. Masters was here last week en route for the Soldier's Home.

Major Jno T. Bird preached Sunday morning at McKendree and here Sunday night.

Dr. W. R. Siron returned yesterday from Bath, having been called there to see Mr. Chas. Wandias, who is very ill with consumption.

Mrs M. J. Hidy is right sick again. Last week she contracted fresh cold and since then she has been confined to her bed. While she is still very sick she is better than she was last week.

Last week the wild geese were seen going north.

Mr. Geo. Harold and wife, of Franklin, spent several days last week with Mr. Jno. Shull.

On Thursday morning they started to seek their fortune in the west.

Mr. John Snyder went to West Virginia Friday to work.

Why keep your old Confederate bills stored away longer? Take them to L. B. Byrd's and exchange them for groceries.

Mrs. Fannie Rodgers went to Craigsville last week to see her husband who has been at work there this winter.

Mr. W. H. Vance has been sick for several days.

For some weeks the stockholders of the down-the-river Mutual Phone line have had some trouble on account of the lines being tied, and some hot words were exchanged Saturday. They held a meeting and all the troubles were disposed of satisfactorily and we hope no unfriendly feelings will be entertained by anyone.

Mr. Eugene Rodgers, of Jackson river, spent Saturday here.

Miss Lillian Hook spent Saturday and Sunday at home.

Miss Rebecca Ervine and her mother are going to move from the Evick building to the Beard house up on the pike.

Last Friday the Stork visited the home of Mr. and Mrs. W. H. Williams and left a little daughter.

The best way to rid the system of a cold is to evacuate the bowels. Kennedy's Laxative Honey and Tar acts as a pleasant, yet effectual cathartic on the bowels. Murder and Suicide

Roanoke, Va., Feb 27—Robert L. Traynam was arrested here this morning between the hours of 12 and 1 o'clock, charged with the murder of his father, ex City Sergeant John B. Traynam, on Sunday night, the 18th instant.

He submitted to arrest without protest and was taken to the Norfolk and Western station and, under the escort of Sergeant Griffin and Officer Overstreet, was hurried to Lynchburg, where he was to be confined in jail. Enroute he seldom spoke to the officers except to call for water, several glasses of which were given him in the two hours ride between Roanoke and their proposed destination.

When within a mile of Lynchburg it was noticed that Traynam was very sick and when the train stopped at the station he was ordered to arise. As he did so he exclaimed, "Oh, my knees!" and toppled over. He was carried out and laid on a truck, foaming at the mouth, and expired in a few moments.

THE CRIME.

J. B. Traynam, ex-city sergeant, was murdered in his room in a building adjoining the city hall jail and police station and the mangled and mutilated body was discovered the following day, after the noon hour, with his head backed to pieces with an ax. His chin was cut off and the ax had penetrated the bone to the depth of four inches. A wound in the neck severed the jugular vein and windpipe and several other strokes on the head, nine in all, had penetrated the skull, the injuries of any one being sufficient to cause death. The doors were locked and every vestige of proof leading to the discovery of the perpetrator removed.

Horse Thief Convicted

Franklin, W. Va., Feb. 26.—Within 10 minutes after leaving the box the jury trying Bartow Rimel for horse-stealing returned a verdict of guilty. The punishment is two to six years, the judge to fix the term. Rimel pleaded insanity.

Last October Rimel, who was working for A. R. Hiner of Pendleton, stole a fine young horse from Mr. Hiner and rode it to Staunton, selling it there at October court to Mr. T. M. Borden of New Hope for \$115, and then returning to Mr. Hiner's. The horse was tracked and recovered, Rimel at once arrested, with the above result. He burned the jail at Franklin in an effort to escape, but failed.

A watch and some other articles bought with the money, and some of the money, were recovered.

The second trial of ex-policeman McGuffin, of Covington, which has been engaging the attention of the circuit court all of this week, came to a close this morning when the jury returned a verdict of guilty and fixed his punishment at two years in the penitentiary. The indictment on which McGuffin was found guilty charged him with the theft of a sum of money from the Adams Express Co. The money was taken from the safe of the company at the C & O depot in Covington and a few days later McGuffin was arrested.

On the charge of stealing a valuable lot of ladies' wearing apparel the jury trying the case failed to agree and a new trial will be ordered.

The verdict rendered this morning is generally regarded as light punishment, and it is not believed the accused will ask for an appeal. McGuffin was defended by Messrs. John T. Delancy and George A. Revcombs, while the interests of the Commonwealth were looked after by Mr. W. E. Allen.—Covington Daily Review, Saturday.

THE THIRICE-A-WEEK WORLD'S regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and the HIGHLAND RECORDER together for one year \$1.70. The regular subscription price of the two papers is \$2.00.

Frightfully Burned.

Chas. W. Moore, a machinist of Ford City, Pa., had his right hand frightfully burned in an electrical furnace. He applied bucklin's Arnica Salve with the usual result; "a quick and perfect cure." Greatest healer on earth for burns, wounds, Sores, Eczema and piles. 25c at K. H. Trimble Druggist.

A Lively Tussle.

With that old enemy of the race, constipation, often ends in appendicitis. To avoid all serious trouble with the stomach, liver or bowels, take Dr. King's New Life Pills. They perfectly regulate these organs, without pain or discomfort, 25c at K. H. Trimble Druggist.

Epworth League.

Through the kindness of the editor of the Recorder this column has been opened to the Epworth League, and we pray that it may be read with interest and profit by the members of the Epworth League and others who are interested in their intellectual development and spiritual growth. We solicit any contributions calculated to meet need, remembering that with such limited space at our disposal, such contributions must be brief.—D. A. B.

A PRAYER.

These things I covet, Lord, and pray That thou wilt grant them me some day:

The will to do and the strength to bear, High hope in man, firm faith in prayer;

Work's joy, home's peace when work is through, And a heart where love shall be all in all,

If these things may to my fortune fall, No more at thy bounteous hands I'll crave;

That I may be mourned by my fellows, Lord, As a good man gone to his just reward.

—Nashville Christian Advocate

Some of the needs of the Epworth League.—In thinking over the work of the League, several needs impressed themselves upon us which we shall mention.

(1) Deeper consecration.—While we have hundreds of earnest, consecrated Leaguers we have hundreds of others who do not know the joys and blessings of a life surrendered to God. We must know the fullness of God's love before we can tell it to others. He should have the pre-eminence in all things if we wish to have true success.

(2) More prayer.—We need to pray more for ourselves, for devotional service, for the leader and for the League work in general. The days duties should be begun with prayer for God's guidance.

(3) More study of God's Word.—The Bible is God's word and we should acquaint ourselves with its teaching. We should treasure up its promises for the hour of need.

Often we do not take part in the testimony service because we have not previously studied the lesson. It should be carefully and prayerfully studied before the opening of the service.

(4) Fidelity Upon the Part of Each Leaguer.—Our religion is something which we can carry into every day life. We must do "all things as unto the Lord." Our every day life should be such as to make others desire to follow our example. In fact, our motto, "All for Christ," must become the motto of every member, and then the success of the Epworth League will follow as a natural consequence.

—St. Louis Christian Advocate

The object of the League is to promote loyalty to the Church and piety among the young people, "their education in the Bible, christian literature, and in the missionary work of the church; and their encouragement in work of grace and charity."

What nobler purpose can any young life have than to seek such development? It is more precious than the richest gems of earth and all may possess a like so developed. We are leagued together in order to help each other and by working together our lives are a mutual blessing to each other. While the League is under the control of the Methodist Church its membership is not confined to Methodist, but members of any churches may be members and officers of the Epworth League, or any who are members of no church are welcome to engage in its work which feel the need of such development as the "Object of the League" set forth. The pledge of the League requires faithful observance of the rules and regulations of the Epworth League, attendance at its meetings as far as possible, and the taking some part in them.

The children met at the Methodist Church on Sunday afternoon February 25th and organized a Junior League with a membership of 10. The prospects for their work is very encouraging. The interest in all the work and especially the Bible study was intense.

May every one feel a deep interest in the children and assist them all they can that they may sustain a vital relation to God and grow in knowledge and love of Christ who died for them and said, "suffer the little children to come unto me."

The Junior League will meet again the fourth Sunday afternoon of March at 3 p. m.

One would think the Laxative idea in a cough syrup should have been advanced long before it was. It seems the only rational remedy for coughs and colds would be to move the bowels and clean the mucous membranes of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the Original Laxative cough Syrup, the best known remedy for coughs, colic, croup, whooping cough, etc. Tastes good and harmless. Sold by K. H. Trimble.

A Doctor's Medicine

Ayer's Cherry Pectoral is not a simple cough syrup. It is a strong medicine, a doctor's medicine. It cures hard cases, severe and desperate cases, chronic cases of asthma, pleurisy, bronchitis, consumption. Ask your doctor about this.

"I have used a great deal of Ayer's Cherry Pectoral for coughs and hard colds on the chest. It has always done me great good. It is certainly a most wonderful cough medicine."—MICHAEL J. FITZGERALD, Medford, N. J.
